NCSF Mission Statement

The NCSF is committed to creating a political, legal and social environment in the U.S. that advances equal rights for consenting adults who engage in alternative sexual and relationship expressions.

The NCSF aims to advance the rights of, and advocate for, consenting adults in the BDSM, leather, fetish, swing, and polyamory communities. We pursue our vision through direct services, education, advocacy, and outreach, in conjunction with our partners, to directly benefit these communities.

Diversity, Equity and Inclusion Vision

NCSF's goal is to fulfill our mission through a better understanding of a diverse range of voices and experiences in our communities. We recognize the similarities and differences between people that make us all unique. We aim to be inclusive by creating opportunities for more people of various backgrounds to be represented and heard by NCSF.

making sure your voice is heard

national coalition for sexual freedom inc.

NCSF takes the lead in defending the rights of individuals and groups in the kink, BDSM, swing and polyamory communities with our ongoing projects:

Amplify Voices

We promote Diversity, Equity and Inclusion by highlighting accomplishments and attributions of those community leaders from marginalized groups. View our videos that amplify voices in our communities.

Consent Counts

We are working to decriminalize sexual conduct between consenting adults. As part of this we spread understanding of the need for, and nature of, consent. We promote a culture of consent through education and providing resources on how to deal with non-consensual incidents. Help us celebrate Consent Month in September!

Education Outreach Project

We educate people and groups about important issues relevant to those who practice consensual BDSM, polyamory and the Lifestyle. EOP offers education at professional conferences and for community groups/events.

Incident Reporting & Response

We help individuals, groups and businesses within the kink, polyamory and Lifestyle communities who are experiencing discrimination or need help with dealing with consent incidents.

Kink & Polyamory Aware Professionals

Check out our free database of professionals who offer “Sex-Positive Support for Kink and Non-monogamy.” This includes mental health, legal, medical and other professionals who are knowledgeable about alternative sexuality.

Legal Actions

We contribute amicus briefs for relevant legal cases involving free speech and privacy rights. We also track Appellate law cases on consent and BDSM, Law Review articles on consent and BDSM, and a database on State-by-State Assault laws.

Media Outreach

We educate the media and help our communities respond to media stories about BDSM and nonmonogamy by training groups and individuals on how to respond and deal with media effectively.

Metamour Day

Help us celebrate February 28th as Metamour Day, honoring the relationships between you and your metamours. It is not about forced compersion; it's about communal appreciation within our family structures and modeling positivity to the world around us.

Resource Library

Check out our library of activist and professional resources, including Key Concepts for Clubs and a BDSM Glossary. You can also find our original research that helps our advocacy efforts.

Revising the DSM

We helped to de-pathologize BDSM in the APA Diagnostic and Statistical Manual (DSM). We continue to monitor changes to the APA's DSM that may impact on people who engage in kink and consensual nonmonogamy.

Special Recognition

We offer awards to individuals who truly deserve recognition in order to call attention to their work and support their outstanding service to the alt-sex communities.
